

FEIKO BOERSTRA

FULL STACK DEVELOPER

WORK EXPERIENCE

Present
2015

FOUNDER

of CaterGo.nl

Amsterdam

Catergo enables you to easily find suitable catering companies that match your preferences for any event.

2008 - 2012

PRIVATE DRIVER

at D&M drivers

Netherlands

As a student driver I have had many interesting conversations with interesting clients, of which I have learned a lot.

2006 - 2007

SALES REPRESENTATIVE

at N.I.G.

Almere

At The Dutch Interim Group, I was responsible for detaching financial account managers.

EDUCATION

2016

FULL STACK WEB DEVELOPER

at Le Wagon coding school

Amsterdam

"Le Wagon brings technical skills to creative people". According to TechCrunch: "an impressive French tech school for entrepreneurs". What students normally learn in over a year we now do in 3 months.

2014

NEW BUSINESS, B.S.C. (With Merit)

at University of Westminster

London

Major: Marketing, (Social) Entrepreneurship & Business.

2011 - 2014

at PADI

Byron Bay

ACHIEVEMENTS

2013

START-UP OF THE YEAR AWARD & GRANT

Making additional tutoring available to all students in the Netherlands via an online learning environment. For which later that year I received two grants for the realization of this start up.

2012

ROUND TABLE INDIA

Successfully organized a fundraiser event after visiting Round Table India in Mumbai. Funded money aided in building a school for homeless children.

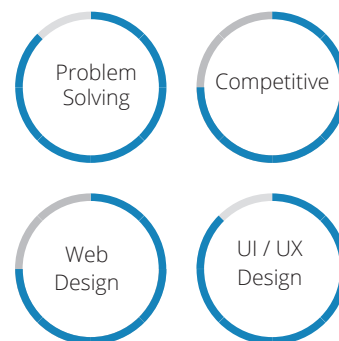

WHY ME?

analytic - creative - competitive - determined - entrepreneurial - rational - goal oriented - eye for detail - team player - studious - visionary - loyal - empathic - humor.
